

**UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF VIRGINIA  
HARRISONBURG DIVISION**

UNITED STATES OF AMERICA )  
v. )  
FARMAN ALI, )  
*Defendant* )  
Case No. 5:11cr00022-5  
SECOND AMENDED REPORT  
AND RECOMMENDATION  
By: Hon. James G. Welsh  
U.S. States Magistrate Judge

In accordance with the provisions of Title 28 U.S.C. § 636(b)(3) and upon the defendant's informed and written consent, this case was previously referred to the undersigned for the purpose of conducting a plea hearing. A plea hearing was thereafter held on February 29, 2012. At which time, the defendant entered pleas of guilty to Indictment Counts One and Eighteen pursuant to a written plea agreement (docket # 126). A written Report and Recommendation (docket # 133) was subsequently filed, to which an agreed Statement of Facts (docket # 128) was incorporated by reference. Although no objection or exception was filed, by order (docket # 139) entered April 5, 2012, the presiding district judge took notice of several discrepancies, and the matter was re-referred to the undersigned to clarify these apparent discrepancies and to file an Amended Report and Recommendation.

Pursuant thereto, a supplemental plea hearing was held on May 14, 2012. The defendant was at all times present in person and with his counsel, David L. Parker. The United States was

represented by Ronald M. Huber, Assistant United States Attorney. The proceedings were recorded by a court reporter. *See* Rule 11(g), Federal Rules of Criminal Procedure. Also present was a properly qualified Punjabi language interpreter for the defendant. *See* Rule 28.

To clarify the record, after reviewing ¶ B.2. of the written Plea Agreement the following additional Finding of Fact is made:

10. The parties agree that the 2011 edition of the United States Sentencing Guidelines Manual applies to the two offenses (Counts One and Eighteen) for which the defendant has entered pleas of guilty and the parties further stipulate that guideline section 2E4.1(a)(1) and a base offense level of 16 (from the tax table in § 2T4.1 -- a tax loss of over \$80,000 but less than \$200,000) applies to the defendant's conduct.

To clarify the question of whether the above stipulation regarding the tax loss applied both to Counts One and Eighteen, the attorney for the government represented that it in fact applied to both, that for guideline calculus purposes the two offenses group together, and that the tax loss provision is controlling pursuant to § 2E4.1(a)(1). Counsel for the defendant concurred with this representation.

To correct the absence of facts sufficient to support the tax loss calculus, counsel for the government tendered a fully executed Amended Statement of Facts (docket # 148) containing an additional statement (the fourth full paragraph on page 2) outlining the tax loss basis and the calculation of loss in accordance with the New York cigarette tax rate. Before its submission and filing it was fully translated and read to the defendant.

The attorney for the government next noted a typographical error in the discussion of Count 18 in the Statement of Facts, which incorrectly described the number of untaxed cigarettes involved in the offense to be 74,400 when in fact the total number was 744,000 as set forth in the Indictment. On motion and without objection the Statement of Facts was so amended.

The attorney for the government then noted a similar typographical error in the originally submitted statement of facts, where it described the total number of cigarettes attributable the defendant in Count One to be 114,960. The correct number is 1,149,600. In making this representation, counsel for the government pointed-out that this change represented no change in the number of cartons attributable to the defendant. Counsel for the defendant agreed that this was in fact the correct number of cigarettes in the alleged 5,748 cartons of untaxed cigarettes attributable to the defendant.

Counsel for the parties additionally represented and emphasized that these changes and corrections represented no substantive change either to the terms of the plea agreement or in the applicable sentencing guidelines.

With the express agreement of counsel, to the extent not inconsistent with this Amended Report and Recommendation the undersigned's original report and recommended disposition are incorporated herein by reference.
